Re: *USA v Charles Berard*, 22 MJ 4169

Your Honor:

I write to ask that this Court grant a extension for the co-signers to sign a bond on behalf of Charles Berard. Last week, this Court determined that Mr. Melendez should be released on a bond, with the understanding that three financially-responsible persons would co-sign his bond within one week. Since then, one individual has signed his bond, but there has been a delay in arranging for his other co-signers to do so. Accordingly, we ask that the conditions of the release be modified by giving the remaining co-signers until May 25, 2022, to co-sign the bond. The government consents to this application.

Very truly yours,

/s/  
James E. Neuman
